Online Safety Workshops

We have included our online safety leaflet with this newsletter.

Lost Property

If your child has lost any item - please have a look in the Lost Property drawers - these are located under the TV screen on the ground floor (opposite the main office desk). At this time of year we get lots of coats that look very similar, it would be a great help if you could clearly mark your child's name inside so that we can ensure that they are returned to their rightful owner.

Below is a list of Trips planned for each year group in date order. These may change and there may be some extra trips added throughout the year. Please note: Sharrow School expects good behaviour from children. Failure to behave well in school may result children being excluded from trips. We are currently working out the cost of these trips and will try and keep them to a minimum. There will be the opportunity to pay by instalments.
