NEWSLETTER No 4

Back to School and Happy New Year!
 We hope you all enjoyed the holidays.

Christmas Fair & Activities

We would like to say a huge thank you to everyone who donated, attended and supported us in our fundraising events over Christmas. We managed to raise a £1800 at our Christmas fair which helps to subsidise education visits and other events that the children take part in.

Art Exhibition

Come and have a look at our Art Exhibition which is located near the lift on the ground floor. It is a display of children's paintings and drawings. We are sure you will agree that we have some very talented young artists.

Welcome New Staff

We would like to welcome Paula Glover who started in the office in November, Tahira Kausar - who is working with the nursery children and Faiza Bibi - our new apprentice who will also be working in our nursery.

Considerate Parking!

Can we ask our Parents to think about where they park when dropping off and picking children up from school please? We have had several complaints from our neighbours, who cannot get out of their own driveways because of cars being parked right across them! Our neighbours need access to their own driveways at all times, so please be considerate when parking your cars.

Gill Wakelam and Ailsa Barr off to Bangladesh on Monday. They are visiting our partner school which the children have been fundraising for, as well as working on joint projects. You can find out more information about this on the school website.

Cleaner Vacancy at Sharrow School

We are currently advertising for a cleaner to work in school for 15 hours per week from 4-7pm. Please call in the office for more information if you are interested.

* IMPORTANT * Change of Telephone Numbers

Many parents change their phone over Christmas or go onto different contracts and forget to inform school of their new numbers. Please tell us if you have a new telephone number.

Useful Websites
