23rd October 2017

Dear Dentist,

This is a letter from the School Council at Sharrow School and last year we had a survey about 'How to look after your teeth'. We found that some of the children at school were not brushing their teeth or even going to the dentist. So this year's School Council agreed to take on an activity regarding this (it is on our Action plan for the year).

We would really like it if you could come and speak to the School Council about helping us to organise events in the school. We meet at 2pm every Friday and we represent each year group. If you are unable to make a Friday afternoon, we would be happy to meet you at a time that is best for you.

If you are able to help us please contact us through the email above.

Kind regards

Sharrow School Council
