Make a positive contribution	<ul style="list-style-type: none"> Sofia was available to talk to this morning in the entrance area for our 'Council Consultation.' Sofia explained that the children were all outside so it would be better if we went outside on the last Friday of the month. Decided we would put a sign on the gate to the playground and a sign by the first bench to remind children that school councillors were there for any suggestions/ideas etc for the school to talk about. Collection for Bangladesh School next week (Waliul Haque Adorsho School) Letters home night before and a slide on the screen in the entrance area. Final date to be sorted with Evelyn. SA to Council know the date on Monday. School Council now have an email address schoolcouncil@sharrow.sheffield.sch.uk We will share this with our bases. Prompts for discussion were given to council members to talk to bases. Items included our consultation process every last Friday of the month Do they understand what bullying is? What the Voice box is for? More ideas for Anti-bullying week? As a result of this conversation Saifuddeen said that Year 3 hadn't go a Voice box. SA asked him to check with them as all bases had been given a new one under the instructions of the previous council. If they hadn't got one Council would have to sort one out.
